

Re-Drawing the Graduate School Circle to Include Post-docs

NEAGS Annual Meeting
April 20, 2012

Carol Beck, Moderator
Joan Norris
Lisa Kozlowski
Christopher So

Attitudes / Evolution

- “It wasn’t this way when I was a post-doc...”
- Are post-docs trainees or employees? Yes
- Looks like we are supposed to have them do some thing beyond working in the lab/ teaching undergraduates...
- How are post-docs different from graduate students? How are post-docs similar to graduate students?
- Programming based on individual needs
